

HD DECK[®]

A Composite Prime Product

NEW
PRODUCT
2024

Tough, dual sided
woodgrain & groove effect
Composite Decking.

**BUILD WITH
PRIME.**

Traditional Composite Decking with a reversible profile, featuring a single colour woodgrain and contemporary groove effect.

HD Deck X is a brand new development for 2024, offering both a wide grooved look on one side and an contemporary woodgrain on the other.

A tough product suitable for multiple applications. Available in our most popular Lava and Silver colour tones, HD Deck X is the perfect product to create a modern look to your project.
